Presentations , 2009 Regional Safeguarding Events 'Safety First' London, Leeds and Birmingham

Community Matters in partnership with Children England recently hosted three regional events on Safeguarding and the new Vetting and Barring scheme. The events were very informative and answers were provided to a variety of audience questions about the Independent Safeguarding Authority new registration scheme and who exactly will be required to be registered when mandatory registration commences in July 2010. Copies of the presentations can be downloaded below.
