

Youth Engagement Toolkit

Engaging Young People in Your Community Organisation - A Community Matters Toolkit

This toolkit sets out eight simple steps that will help young people take on a bigger role in local projects and groups. It comes with a series of tools that enable organisations to take practical steps towards real youth participation. To date this publication has been ordered by over 800 organisations. It has just been updated and is available free to Community Organisations by simply filling in a few details.

Note:

You will need Adobe Acrobat to view the Toolkit as the files are saved as PDF files. Please save the files you need otherwise you will be required to fill in the form again.
